CLAIM PROVISIONS

Notice Of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

Proof Of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, should proof of loss be sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment Of Claims: Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

Payment Of Claims: If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary. If no beneficiary is on record with Us or Our authorized agent, payment will be made to the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured person or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

Assignment: We may pay benefits directly to any Hospital or person rendering covered services, unless the Covered Person requests otherwise in writing no later than the time he or she submits written proof of loss. Any payment made in good faith will end our liability to the extent of the payment.

Physical Examinations And Autopsy: We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a

claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

Legal Actions: No lawsuit or action in equity can be brought to recover on this Policy: (1) before 60 days following the date proof of loss was given to Us; or (2) after 3 years following the date proof of loss is required.

ADMINISTRATIVE PROVISIONS

Premiums: The premiums for this Policy will be based on the rates currently in force, the plan and amount of insurance in effect.

Changes In Premium Rates: We may change the premium rates from time to time with at least 31 days advanced written, or authorized electronic or telephonic notice. We reserve the right to change rates at any time if any of the following events take place.

1. The terms of the Policy change.
2. A division, subsidiary, affiliated organization, or eligible class is added or deleted from the Policy.
3. Any federal or state law or regulation is amended to the extent it affects Our benefit obligation.
4. There is a change in the market factors or factors bearing on the risk assumed.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Payment of Premium: The first Premium is due on the Policy Effective Date. If any premium is not paid when due, the Policy will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period: A Policy Grace Period of 31 days will be granted for the payment of the required premiums. The Policy will remain in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last Premium Due Date on which required premiums were paid. The Participating Organization will be liable to Us for any unpaid premium for the time the Policy was in force.

Schedule of Affiliates: Eligible Persons employed by any affiliate or subsidiary corporation of the Policyholder as of the Policy Effective Date are covered under the Policy. Their coverage will begin and end in accordance with the Effective Date of Insurance and Termination Date of Insurance provisions in the Policy. A list of these affiliates and subsidiaries must be kept on file with the Company.

Newly Acquired Organizations: The premium shown on the Schedule of Benefits applies only to the Policyholder and any affiliates or subsidiary corporations covered on the Policy Effective Date. However, eligible employees of organizations acquired by the Policyholder during the Policy Term may be covered based on the following terms. The Policyholder must: (1) report to Us within 60 days of the acquisition the name of the newly acquired organization and any underwriting information we may need to calculate the premium; and (2) the required additional premium, if any, must be paid.

GENERAL PROVISIONS

Entire Contract; Changes: The Policy (including any endorsements or amendments), the signed application of the Participating Organization, and any individual applications of Covered Persons, are the entire contract. Any statements made by the Participating Organization or Covered Persons will be treated as representations and not warranties. No such statement shall void the insurance, reduce the benefits, or be used in defense of a claim for loss incurred unless it is contained in a written application.

To be valid, any change or waiver must be in writing (or authorized electronic or telephonic communications). It must be signed by our president or secretary and be attached to the Policy. No agent has authority to change or waive any part of the Policy.

Policy Effective Date And Termination Date: The Policy begins on the Policy Effective Date shown on page 1 of the Policy. We may terminate this Policy by giving 31 days advance notice in writing (or authorized electronic or telephonic means) to the Participating Organization. The Participating Organization may terminate this Policy on any Premium Due Date by giving 31 days advance written (or authorized electronic or telephonic) notice to Us. This Policy terminates automatically on the earlier of: 1) the last day of the Policy Term; or 2) the Premium Due Date if Premiums are not paid when due.

Clerical Error: If a clerical error is made, it will not affect the insurance of any Covered Person. No error will continue the insurance of a Covered Person beyond the date it should end under the Policy terms.

Examination Of Records And Audit: We shall be permitted to examine and audit the Participating Organization's books and records at any time during the term of the Policy and within 2 years after the final termination of the Policy as they relate to the premiums or subject matter of this insurance.

Certificates Of Insurance: Where it is required by law, or upon the request of the Participating Organization, We will make available certificates outlining the insurance coverage and to whom benefits are payable under the Policy.

Conformity With State Laws: On the effective date of this Policy, any provision that is in conflict with the laws in the state where it is issued is amended to conform to the minimum requirements of such laws.

Not In Lieu Of Workers' Compensation: This Policy is not a workers' compensation policy. It does not provide workers' compensation benefits.

Effective Date: August 15, 2023

For: Michigan State University

This Amendment form is made a part of the Policy to which it is attached and applies as of the Effective Date shown above. If no Effective Date is shown, this Amendment takes effect as of the Policy Effective Date. Any changes in premium apply as of the first premium due date on or after the effective date of this form.

The Policy has been changed as follows:

If the Policyholder has or enters into an agreement with an assistance provider, other than the Company's authorized assistance provider, to provide services insured under the policy, the following provisions apply.

- "Our assistance provider" as referenced in the Description of Benefits refers to the Policyholder's assistance provider.
- Benefits for Covered Expenses will be payable to the Policyholder's assistance provider upon receipt of any required proof. Any payment made in good faith to the Policyholder's assistance provider will end our liability to the extent of the payment.
- No benefits will be paid for services rendered by the Policyholder's assistance provider that are not included in the Covered Expenses listed in the Policy.
- Benefits payable include case fees charged by the Policyholder's assistance provider for the rendering and delivery of services.

Rider #: 2

This Rider form is made a part of the Policy to which it is attached as of the Effective Date shown above. If no Effective Date is shown, this Rider takes effect as of the Policy Effective Date. It applies only to Covered Accidents that occur on or after that date. This form is subject to all of the terms, limitations, and exclusions of the Policy, except as they are changed by it.

In return for payment of the required premium, the Policy is changed as follows.

The war exclusion is deleted to the extent coverage is provided by the terms and conditions described in this Rider. We will pay benefits as described in the Policy for Losses resulting from a Covered Accident caused by war or acts of war.

The Covered Accident may occur anywhere in the world, except the following countries:

- The United States
- The Covered Person's Home Country
- Specific Countries: Belarus, Russia and Ukraine

"Home Country" means a country from which the Covered Person holds a passport. If the Covered Person holds passports from more than one Country, his or her Home Country will be the country that he or she has declared to Us in writing as his or her Home Country.

"Country of Permanent Assignment" means a country, other than a Covered Person's Home Country, in which the Policyholder requires a Covered Person to work for a period of time that exceeds 180 continuous days.

Total Limit of Liability: We will not pay more than \$250,000 per occurrence for the war risk benefits provided by this Rider. This limit shall apply to Injuries sustained in a Covered Accident from all acts of war in any consecutive 72-hour period. If, but for this provision, we would pay more than \$250,000, then the benefits We will pay under this Rider to each Covered Person will be reduced in the same proportion, so that the total amount we will pay for war risk coverage is \$250,000.

Premiums and Coverage Subject to Change: The premiums, benefits, and areas in which coverage is provided may be changed at any time, by sending written notice to the Policyholder at its most recent address in Our records at least 10 days prior to the date of change. These changes may be done as needed to reflect conditions that, in Our opinion, change the war risk exposure.

Termination: The Policyholder may cancel war risk coverage at any time by sending written notice to Us. The coverage will be cancelled on the later of: (1) the date We receive the notice; or (2) the termination date specified in the notice.

We may cancel coverage at any time by sending written notice to the Policyholder at its most recent address in Our records at least 10 days prior to the termination date. We will return any unearned premium that has been paid for this coverage. However, the return of premium is not a condition of termination.

Change or termination of this coverage will not affect a claim that begins while this coverage is in force.

The Policyholder must submit at least annual reports of war risk exposure. We may require additional premium for war risk coverage to remain in effect.

The report must include the identification of each Covered Person exposed, his or her destination(s), the effective and termination dates of his or her exposure, and his or her Principal Sum during the period of exposure. Additional premium may be required as a result of travel exposure.

This form ends at the same time as the Policy to which it is attached.
